October 13, 2004

MAINE PUBLIC UTILITIES COMMISSION
Investigation into Central Maine Power Company's
Stranded Cost Revenue Requirements and Rates

PROCEDURAL ORDER

On October 6, 2004, Central Maine Power Company (CMP) filed a request for an extension of time to file its Phase II Filing and Phase I Rebuttal from October 8, 2004 to October 13, 2004. In its letter, CMP indicated that it would be filing the Phase II portion of its case presenting its sales forecast and the economic analysis of the forecast on October 8th as scheduled.

Good cause appearing therefore, and there being no objections, CMP's request for an extension of time is granted. The deadline for filing discovery on that portion of the Company's Phase II filing submitted on October 13, 2004 will be extended from October 14, 2004 to October 19, 2004. The remainder of the schedule will remain as set out in the Procedural Order of July 9, 2004.

Dated at Augusta, Maine, this 13th day of October, 2004.
